I wonder if their first "Aw, shit!" moment was watching Fox News ratings tank and stay tanked.

That would be my guess.

Utopians - which all of these asshats are, with their adorable but sickening trust in socialism and globalism - always overestimate their ability to control other humans.

Just out of curiosity I looked very briefly at Gutfeld only to be shocked that they're already shifting to mocking prez Harris. (as if) I couldn't take 10 seconds of it.

Yep, that's why Fox was the first to call AZ and the first to call for Biden, the whole plan hinged on getting Trump supporters to walk away. They've mistaken patience and a desire for rule of law with weakness.

Yup. Ain't no point in leaving to go to work because if trump doesn't get in then jobs themselves will be labeled white supremacist and only nazis will have jobs.

I still think if they don't admit our president won on the 6th we storm the gates and hang every single one who won't admit it until we have a congress jam packed full of people who know the truth about the voter fraud and treason the radical left and corrupt rinos have been committing

While deplorable and a messed up system of government it's not illegal. Kinda like how burning the US flag is sickening and disgusting it is also not illegal. There have been people who ran as Communist party.

Still remember King of the Hill Season 5 episode 1 where Luanne go around trying to get people to vote communist.

Please don't laser eye me now LibertyPrime.

I don't know if they have a plan B for what is about to go down on Jan. 6th

Fortunately, this entire operation (the election, covid BS, everything about the Great Reset) hinges on Americans--that is, MAGA folks--backing down. Just another way the left doesn't understand how people work. Furthermore, they don't understand the American mentality.

They will never take us alive.

MAGA isn't the GOP. The GOP has been riding our coattails and is in for the rudest America First Awakening.
